

書家/水墨画家 椿 紫 Yukari Tsubaki

Japanese Ink Artist
Calligraphy / Abstract / Sumie / Suibokuga
<https://tsubakiyukari.com>

“ Ink the unseen.”

I work with ink to express what cannot be spoken.

Beyond language.
Beyond form.

My work explores the delicate tension between abstraction and emotion —
the unseen shifts in the human heart.

Through traditional calligraphy and contemporary ink expression,
I pursue a quiet elegance unique to Japan.

Not to explain.
But to leave an impression.

I simply continue to seek and create beauty through ink.
